Statement: Our privately owned small business has always treated every person with tremendous dignity and respect because we believe that our faith in Jesus Christ requires nothing less. We love all people and serve all people, and always have. The only limitation in the use of our facilities is that we choose not to offer our premises, lending our talents and approval, for weddings and events that violate our sincerely held religious beliefs. This policy allows us to maintain our deepest convictions, while we demonstrate love and respect for our neighbor the best way we know, according to the principles of God’s Word. We are grateful that God has ordained this nation where our religious freedoms are protected by the Constitution of the United States of America.
